Analogue Round “Safe Clock”

Product Code ALSSCRV1

Clock Housing

- Robust vandal resistant steel housing, with quarter rounded edges for superior ligature resistance
- Dementia friendly contrasting colours (i.e. blue on white or white)
- Clock batteries can be changed without removing steel housing by removing impact resistant polycarbonate face

Clock Features

- Large easy read analogue display
- Identifies day from night
- Quartz battery movement for increased accuracy
- Full instructions provided

Requirements

- X1 AA battery

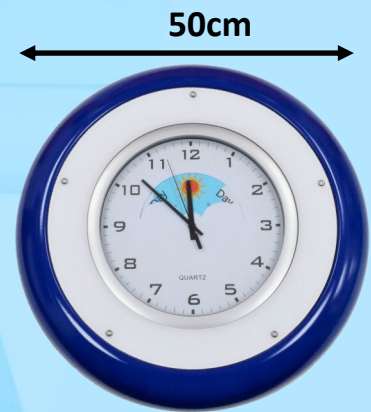

Dimensions

- Width 350mm

Cleaning

- Clean with a dry microfibre cloth

(NB: Battery powered rectangular safe clocks (ALS01V2) and mains versions (ALSCOV3) also available)

NBS Specification

The anti-ligature design features of this product are not intended to replace or substitute the need for necessary supervision of those who may be at risk, or for other necessary protective measures to be taken in the specific circumstances of usage.. Anti-Ligature Shop does not claim any product to be totally ligature free or make claim that they cannot be damaged with regard to anti-vandal feature. It is therefore the customers responsibility to ensure the suitability of the product for the environment in which they are to be fitted.
